Lyrics "Rise Up, Stand Up!"

"One billion women in this world today

Have something that they want to say.

We'll shout it out until they're heard

We'll sing and dance and spread the word.

No women in this world should have to cry

No women in this world should have to die.

Rise up stand up, everybody sing together,

Rise up stand up, mothers sisters and daughters.

One billion women have had enough

Of all the violence, rape and hurt

We'll shout it out until they're heard

We'll break the silence and spread the word

A world where women will all be free

A world where women have respect and dignity.

Rise up stand up, everybody stand together,
Rise up stand up, mothers sisters and daughters.

Solo guitar

Everybody sing now!

Rise up stand up, everybody sing together,
Rise up stand up, mothers sisters and daughters.

Women of the world this it is our time
Let's stand together for our rights
Our revolution, this is our fight
Women of the world it's time to unite.

Rise up stand up, everybody sing together,
Rise up stand up, mothers sisters and daughters.

Rise up stand up, everybody sing together,
Rise up stand up, mothers sisters and daughters.

Rise up!"
